

Evansville Regional Economic Partnership Bill Report
Report created on March 16, 2023

- HB1001 STATE BUDGET** (THOMPSON J) Appropriates money for capital expenditures, the operation of the state, K-12 and higher education, the delivery of Medicaid and other services, and various other distributions and purposes. Provides that the auditor of state is also known as the state comptroller. **MORE...**
Current Status: 2/27/2023 - Referred to Senate Appropriations
Priority: Tier 1 - High
State Bill Page: [HB1001](#)
- HB1002 EDUCATION AND WORKFORCE MATTERS** (GOODRICH C) Establishes the: (1) career scholarship account program; (2) career scholarship account program fund; (3) career scholarship account administration fund; (4) connecting students with careers fund; and (5) intermediary capacity building fund. Provides that the department of education, in consultation with the governor's workforce cabinet, shall designate and approve a sequence, course, modern youth apprenticeship, apprenticeship, or program of study that culminates in an approved credential and is offered by an employer that has partnered with an approved intermediary to offer the sequence, course, modern youth apprenticeship, apprenticeship, or program of study. Provides for revocation of the approval if the sequence, course, modern youth apprenticeship, apprenticeship, or program of study fails to achieve an adequate outcome, as determined by the department, in consultation with the governor's workforce cabinet. Establishes eligibility requirements to participate in the CSA program. **MORE...**

Priority: Tier 1 - High
State Bill Page: [HB1002](#)
- HB1003 HEALTH MATTERS** (SNOW C) Allows a credit against the state tax liability of an employer with fewer than 50 employees if the employer has adopted a health reimbursement arrangement in lieu of a traditional employer provided health insurance plan and if the employer's contribution toward the health reimbursement arrangement meets a certain standard. Requires employers that are allowed the credit to report certain information to the department of insurance. Provides that the total amount of credits granted to employers may not exceed \$10,000,000 in a taxable year. Provides that the credit may be carried over for 10 years, but may not be carried back. Provides that a health care provider that enters into: (1) a value-based health care reimbursement agreement; and (2) an electronic medical record access agreement; with a health plan may qualify to participate in the health plan's program to reduce or eliminate prior authorization requirements. Requires a health plan that establishes a program to reduce or eliminate prior authorization requirements to provide certain information to health care providers concerning the program.
Current Status: 3/16/2023 - Committee Report amend do pass adopted; reassigned to Committee on Appropriations
Priority: Tier 1 - High
State Bill Page: [HB1003](#)
- HB1004 HEALTH CARE MATTERS** (SCHAIBLEY D) Allows a credit against an employer's state tax liability if the employer has adopted a health reimbursement arrangement. Requires certain employers that claim and are allowed the credit to report certain information to the department of insurance. Provides a credit against state tax liability to certain physicians who have an ownership interest in a physician practice and meet other eligibility criteria. Establishes the health care cost oversight board and sets forth duties of the board. Requires provider facilities and practitioners to include the address of the service facility location in order to obtain reimbursement for a commercial claim for health care services. Provides that specified health insurance payers are not required to accept a claim for a health care service if the claim does not contain the service facility location. Beginning in 2024, requires the department of insurance to calculate a national mean price and mean price for each Indiana nonprofit hospital system as a percentage of Medicare or using another nationally recognized metric. Requires each Indiana nonprofit hospital system to submit specified information to the department. Requires the department to, beginning in 2026, take corrective action or assess a penalty against an Indiana nonprofit hospital system if the Indiana nonprofit hospital system exceeds specified **MORE...**

HB1005 HOUSING (MILLER D) Establishes the residential housing infrastructure assistance program and residential housing infrastructure assistance revolving fund. Provides that political subdivisions may apply to the fund for loans for certain infrastructure projects related to the development of residential housing. Provides that money in the fund may not be used for: (1) debt repayment; (2) maintenance and repair projects; (3) upgrading utility poles; or (4) consulting or engineering fees for studies, reports, designs, or analyses. Provides that loans from the fund must be allocated as follows: (1) 70% of the money in the fund must be used for housing infrastructure in municipalities with a population of less than 50,000. (2) 30% of the money in the fund must be used for housing infrastructure in all other political subdivisions. Requires the authority to establish a project prioritization system for the purpose of awarding loans from the fund, and specifies the criteria that must be included in the project prioritization system. Allows the authority to establish a leveraged **MORE...**

HB1449 TWENTY-FIRST CENTURY SCHOLARS PROGRAM (HARRIS JR. E) Amends the twenty-first century scholars program eligibility requirements for certain students. Provides that the commission for higher education shall do the following: (1) In cooperation with the department of education, identify students who meet the requirements to participate in the program. (2) Notify the student and the custodial parent or guardian of the student, if the student is an unemancipated minor, that: (A) the student is eligible to participate in the program; (B) the student must agree to the conditions required to participate in the program; and (C) the student has the right to opt out of the program at any time.

Current Status: 3/16/2023 - Committee Report amend do pass adopted; reassigned to Committee on Appropriations

Priority: Tier 1 - High

State Bill Page: [HB1449](#)

HB1499 PROPERTY TAX MATTERS (THOMPSON J) Provides that the circuit-breaker credit is equal to the amount by which a person's property tax liability attributable to the person's homestead exceeds, for property taxes first due and payable: (1) in 2024, 0.95%; and (2) in 2025, 0.975%; of the gross assessed value of the property that is the basis for determination of the property taxes. Increases the amount of the supplemental homestead deduction for property taxes first due and payable in 2024 and 2025. Provides that if a taxpayer presents an appraisal to the county property tax assessment board of appeals that meets specified requirements, the appraisal is presumed to be correct. Provides that if the county board disagrees with the taxpayer's appraisal, the county board may seek review of the appraisal or obtain an independent appraisal. Provides that after the assignment of value, the parties shall retain their rights to appeal the assessment or assessments to the Indiana board of tax review. Provides that, notwithstanding any increase in assessed value of property from the previous assessment date, the total amount of operating referendum tax that may be levied by a school corporation for taxes first due and payable in 2024 may not increase by more than 3% over

the maximum operating referendum tax that could be levied by the school corporation in the previous year. Increases the renter's state income tax deduction to \$4,000. Increases the residential property state income tax deduction to \$3,500. Authorizes a county fiscal body to adopt an ordinance to provide property tax relief for property tax liability attributable to homesteads for qualified individuals. Modifies the threshold amounts used for determining whether a political subdivision's project is a controlled project and whether the petition and remonstrance process or the referendum process applies based on the political subdivision's total debt service tax rate. Provides a calculation to be used in determining the maximum levy growth quotient in 2024 and 2025.

Current Status: 3/1/2023 - Referred to Senate Tax and Fiscal Policy

Priority: Tier 1 - High

State Bill Page: [HB1499](#)

HB1591 EDUCATION MATTERS (BEHNING R) Provides that money in the science, technology, engineering, and mathematics (STEM) teacher recruitment fund (fund) may be used to provide grants to Indiana organizations that recruit STEM teachers for employment by school corporations and nonpublic schools in Indiana. (Current law provides that money in the fund may be used to provide grants to Indiana organizations that recruit STEM teachers for employment by Indiana school corporations.) Amends the duties of the early learning advisory committee. Removes certain restrictions on how the office of the secretary of family and social services may award grants. Changes the prekindergarten pilot program to the prekindergarten program and removes the expiration date. Requires reporting concerning students who injure teachers. **MORE...**

Current Status: 3/15/2023 - Senate Education & Career Development, (Bill Scheduled for Hearing)

Priority: Tier 1 - High

State Bill Page: [HB1591](#)

SB1 BEHAVIORAL HEALTH MATTERS (CRIDER M) Provides that, subject to certain procedures and requirements, the office of the secretary of family and social services may apply to the United States Department of Health and Human Services: (1) for a Medicaid state plan amendment, a waiver, or an amendment to an existing waiver to require reimbursement for eligible certified community behavioral health clinic services; or (2) to participate in the expansion of a community mental health services demonstration program. Requires the division of mental health and addiction to establish and maintain a help line: (1) to provide confidential emotional support and referrals to certain resources to individuals who call the help line; and (2) that is accessible by calling a toll free telephone number. Establishes the Indiana behavioral health commission and sets forth the commission's membership. Changes the name of the "9-8-8 crisis hotline center" to "9-8-8 crisis response center". Makes conforming changes.

Recent Status: 2/28/2023 - Referred to House Public Health

Priority: Tier 1 - High

State Bill Page: [SB1](#)

SB2 TAXATION OF PASS THROUGH ENTITIES (BALDWIN S) Authorizes certain pass through entities to make an election to pay tax at the entity level based on each owner's aggregate share of adjusted gross income. Provides a refundable tax credit equal to the amount of tax paid by the electing entity with regard to the owner's share. Allows a credit for pass through entity taxes that are imposed by and paid to another state. Makes certain changes to provisions that apply to taxpayers who file a combined return for the financial institutions tax. Makes conforming changes for purposes of partnership audit and administrative adjustments.

Current Status: 2/22/2023 - **SIGNED BY GOVERNOR**

State Bill Page: [SB155](#)
- SB271 CERTIFIED TECHNOLOGY PARKS** (BUCHANAN B) Specifies additional information that a certified technology park is required to provide to the Indiana economic development corporation in the course of a review. Provides that if a park has reached the limit on deposits and maintains its certification, the park shall become a Level 2 park. Increases, from \$100,000 to \$500,000, the annual additional incremental income tax deposit amount that a park captures once it has reached its limit on deposits. Clarifies the calculation of the additional incremental income tax deposit amount in the year in which a park reaches its limit on deposits. Provides that when the corporation certifies a Level 2 park, the corporation shall make a determination of whether the park shall continue to be designated as a Level 2 park. Requires the corporation to report to the budget committee certain information pertaining to businesses located in each park on a biennial basis.

HB1179 PROFESSIONAL LICENSING (CLERE E) Allows a state agency to adopt a policy governing electronic meetings conducted by a board or committee of the agency, if the board or committee has not adopted a policy. Allows the reinstatement of a professional license that was retired, inactive, or surrendered if the applicant meets the requirements for a delinquent or lapsed license. Provides that provisions regarding reinstatement of a retired license do not apply if the license was retired while a complaint or investigation regarding professional conduct was pending. Provides that the reinstatement law applies to all licenses that were inactive for more than three years. Requires, for purposes of the license reinstatement law, that each board make available a list of standards that require a personal appearance before the board. Requires a provider of a continuing education course to: (1) obtain approval of the course from the licensing board; and (2) provide the licensing board or agency with a certificate showing that a practitioner completed a course. Eliminates random continuing education audits of practitioners. Adds certain nonhealth professions **MORE...**

State Bill Page: [HB1290](#)

HB1349 OUTDOOR REFRESHMENT AREAS (LINDAUER S) Allows a city or town to designate an outdoor location as a refreshment area with the approval of the alcohol and tobacco commission (commission). Provides that if a refreshment area is approved, the commission designates retailer permittees that may sell alcoholic beverages for consumption within the refreshment area. Prohibits a refreshment area from being located near a school or church unless the school or church does not object. Allows a minor to be within the refreshment area. Makes it a Class C infraction for a participating retailer permittee or vendor to: (1) sell a person more than one alcoholic beverage at a time or an alcoholic beverage that exceeds the volume limitations; or (2) allow a person who is not wearing a wristband identification to enter the refreshment area with an alcoholic beverage.

Current Status: 2/27/2023 - Referred to Senate Public Policy

Priority: Tier 2 - Medium

State Bill Page: [HB1349](#)

HB1451 UNEMPLOYMENT COMPENSATION (CARBAUGH M) Amends the definition of "deductible income" for purposes of the unemployment compensation laws. Provides that, subject to certain exceptions, the department of workforce development may accept an offer in compromise from an employer or claimant to reduce past due debts arising from contributions or benefit overpayments. Provides that an individual is ineligible for benefits for any week that the individual receives payments equal to or exceeding the individual's weekly benefit amount in pension, retirement, or annuity payments under any plan of an employer where the employer contributes all of the money. Provides that the state of Indiana is not required to participate in or precluded from ceasing to participate in any offered or enacted voluntary, optional, special, or emergency federal program. Makes corresponding changes.

Priority: Tier 2 - Medium

State Bill Page: [SB7](#)

SB9 ENERGY UTILITIES (LEISING J) Amends the Indiana Code chapter concerning federally mandated requirements for energy utilities as follows: (1) Specifies that for purposes of the statute, "federally mandated costs" include the following: (A) Costs that an energy utility has incurred, or estimates that it will incur, in connection with a compliance project. (B) Costs that are directly related to the preparation and conduct of a regulatory proceeding. (C) Costs related to a compliance project and incurred by an energy utility before the date of: (i) the energy utility's application to the Indiana utility regulatory commission (IURC) for a certificate of public convenience and necessity (certificate) with respect to the compliance project; or (ii) the IURC's order with respect to the application; if the IURC finds the costs are just and reasonable. (2) Provides that an energy utility's application for a certificate for a compliance project must be filed either: (A) before; or (B) within a reasonable time with respect to; any federally mandated compliance date. (3) Specifies that recovery of the 80% of IURC-approved federally mandated costs that an energy utility may recover through a rate adjustment mechanism must commence no earlier than: (A) the date of a final agency action regarding the federally mandated requirement; or (B) in the absence of a final agency action, the date on which the federally mandated requirement becomes effective. Requires a public utility to notify the IURC if: (1) the public utility intends or decides to retire, sell, or transfer an electric generation facility with a capacity of at least 80 megawatts; and (2) the retirement, sale, or transfer: (A) was not set forth in; or (B) is to take place on a date earlier than the date specified in; the public utility's short term action plan in the public utility's most recently filed integrated resource plan (IRP). Provides that upon receiving such notice from a public utility, the IURC shall consider and may investigate the public utility's intention or decision to retire, sell, or transfer the electric generation facility. Provides that in considering the public utility's intention or decision, the commission shall examine the impact the retirement, sale, or transfer would have on the public utility's ability to meet: (1) the public utility's planning reserve margin requirements or other federal reliability requirements; **MORE...**

State Bill Page: [SB20](#)

- SB46 COUNTY OPTION CIRCUIT BREAKER TAX CREDIT** (SANDLIN J) Authorizes a county fiscal body to adopt an ordinance to provide a credit against property tax liability for qualified individuals. Defines a "qualified individual" for purposes of the credit. Provides that the ordinance may designate: (1) all of the territory of the county; or (2) one or more specific geographic territories within the county; as an area in which qualified individuals may apply for the credit. Provides that the credit amount is equal to the amount by which property taxes on the property increased by at least 2% but not more than 5% from the prior year. Provides that the credit does not affect the allocation of taxes to a referendum fund. Requires a qualified individual who desires to claim the credit to file a certified statement with the county auditor. Provides that the county auditor shall apply the credit in succeeding years after the certified statement is filed unless the auditor determines that the individual is no longer eligible for the credit or the county fiscal body rescinds the ordinance. **MORE...**

- SB246 EXCESS LIABILITY TRUST FUND** (NIEMEYER R) Defines "aboveground storage tank" as a tank that is at least 90% above the surface of the ground, that has a capacity of more than 1,500 gallons but not more than 20,000 gallons, and that is used for the bulk storage and distribution of motor fuel to retailers or used at an airport. Authorizes the use of the petroleum storage tank excess liability trust fund (ELTF) to provide a source of money to satisfy liabilities for corrective action involving aboveground storage tanks as well as underground petroleum storage tanks. Authorizes the use of the ELTF to provide reimbursement of 50% of costs of decommissioning or replacing underground petroleum storage tanks that meet the certain criteria. Requires the underground storage tank financial assurance board to adopt rules concerning this reimbursement program. Transfers, from the state fire marshal and the fire prevention and building safety commission to the Indiana department of environmental management and the environmental rules board, the authority to issue

certificates for people who work on underground storage tanks in Indiana. Provides that the commissioner of the department may not: (1) issue an order to secure compliance; or (2) proceed in court; to require the owner or operator of an underground storage tank to undertake corrective action with respect to a release of petroleum from the underground storage tank until the commissioner has received and reviewed the initial site characterization of the site of the release. Establishes requirements for initial site characterizations. **MORE...**

HB1007 ELECTRIC UTILITY SERVICE (SOLIDAY E) Provides that it is the continuing policy of the state that decisions concerning Indiana's electric generation resource mix, energy infrastructure, and electric service ratemaking constructs must take into account the following attributes of electric utility service: (1) Reliability. (2) Affordability. (3) Resiliency. (4) Stability. (5) Environmental sustainability. Requires the Indiana utility regulatory commission (IURC) to take each of these attributes into account when: (1) reviewing, and preparing a final director's report for, an integrated resource plan submitted by an electric utility; (2) acting upon a petition for the construction, purchase, or lease of an electric generation facility; and (3) reviewing whether the public convenience and necessity continues to require the completion of an electric generation facility under construction. Requires the IURC to commence before September 1, 2023, a comprehensive study to consider the appropriate: (1) design and framework for; and (2) requirements with respect to; performance based ratemaking for investor-owned electricity suppliers. Sets forth certain topics that the IURC shall consider and evaluate in conducting the required study. Requires the IURC to include in its annual report that is due before October 1, 2025, a report containing the IURC's analysis and recommendations on **MORE...**

SB298 UTILITY INFRASTRUCTURE IMPROVEMENT CHARGES (KOCH E) Amends the statute governing infrastructure improvement charges for water or wastewater utilities as follows: (1) Provides that in the case of a municipally owned utility or a not-for-profit utility, the adjustment amount to an eligible utility's basic rates and charges for the recovery of infrastructure improvement costs shall be recovered over a 12 month period, regardless of the amount of time over which the infrastructure improvement costs were incurred. (2) Provides that a utility may not recover through an infrastructure improvement charge any infrastructure improvement costs that are recovered by the utility through contributions in aid of construction. (3) Provides that when an eligible utility files a petition for an adjustment amount with the Indiana utility regulatory commission (IURC), the office of utility consumer counselor may examine information of the eligible utility, limited to confirming: (A) that the infrastructure improvements for which recovery is sought are eligible for cost recovery under the statute; and (B) the proper calculation of the proposed adjustment amount. (Existing law provides that the OUCC may examine the information of an eligible utility to confirm these matters, but does not specify that the OUCC's examination is limited to the confirmation of these matters.) (4) Provides that if the IURC finds that an eligible utility's proposed adjustment amount has not been calculated **MORE...**

SB303 PRIVACY PROTECTIONS FOR NONPROFIT ORGANIZATIONS (BROWN L) Defines "personal information", with respect to a nonprofit organization, as a compilation of data that directly or indirectly identifies a person as a member of, supporter of, volunteer for, or donor to, the nonprofit organization. Prohibits a public agency from doing the following: (1) Requiring a person or nonprofit organization to provide personal information to the public agency, or otherwise compelling the release of personal information. (2) Releasing, publicizing, or publicly disclosing personal information in its possession. (3) Requesting or requiring a current or prospective contractor or grantee to provide a list of nonprofit organizations to which the current or prospective contractor or grantee has provided financial or nonfinancial support. Provides exceptions to these prohibitions with respect to disclosures made: (1) in compliance with specified laws; or (2) under certain circumstances in the context of litigation. Provides that personal information is considered confidential and is not subject to disclosure under Indiana's access to public records act (act). Provides that a person **MORE...**

SB339 ATTAINABLE HOMEOWNERSHIP TAX CREDIT (ROGERS L) Establishes a tax credit (credit) for a contribution to an affordable housing organization (organization). Requires the Indiana economic development corporation to approve each organization applicant as an organization for which a taxpayer is eligible to claim a credit for a contribution. Provides that the amount of the credit is equal to 50% of the amount of the contribution that is not more than \$20,000 made to the organization. Provides that the credit may be carried forward for five years following the unused credit year. Provides (subject to certain conditions) that the total amount of tax credits awarded may not exceed \$100,000 in each state fiscal year. Requires the department of state revenue (department) to post certain information about the credit on a website used by the department to provide information to the public. Allows the department to adopt rules to implement the credit.

SB419 STATE TAX MATTERS (HOLDMAN T) Makes certain changes regarding net operating losses for purposes of determining state adjusted gross income. Provides that certain amounts for providing or expanding access to broadband service in Indiana may be subtracted from a taxpayer's state corporate adjusted gross income. Provides for successor liability for certain unpaid taxes following a business asset sale. Repeals an outdated provision requiring separate exemption certificates for manufacturers and wholesalers. Makes a clarifying change to the sales tax exemption that applies to power subsidiaries. Clarifies the acquisition date for purposes of adding back interest from tax exempt bonds issued by another state in determining Indiana adjusted gross income. Amends provisions regarding the exemption for certain income derived from patents. Provides that tax paid by an electing partnership is deposited in the state general fund. Makes clarifying changes and technical corrections to the affordable and workforce housing tax credit. Specifies the deposit and distribution of interest and penalties associated with certain taxes. Authorizes the department of state revenue to publish or disclose the status of a governmental or nonprofit entity's sales tax exemption certificate. Provides that a person who knowingly or intentionally sells, purchases, installs, transfers, or possesses: (1) an automated sales suppression device or a zapper; or (2) phantom-ware; commits a Level 5 felony. Makes clarifying and technical corrections to provisions under the electronic cigarette tax.
