

INNOVATION POINTE is a high-tech business incubator managed by the Evansville Regional Economic Partnership. Located in the heart of Downtown Evansville, Innovation Pointe assists in the creation and growth of new business in the Evansville Region.

Clients at Innovation Pointe have access to countless amenities, including VOIP Communication System, fiber optic internet connection and access to experienced business consultants who can provide invaluable advice on topics ranging from business funding and development to creation of intellectual property.

Thank you for your support of the Evansville Regional Economic Partnership (E-REP).
As a nonprofit organization, we welcome the use of our space to members and the community.
